GENERAL INFORMATION

DOS DE MAIG

Apartment block built in 1975 in the city of Barcelona, located in the Eixample district on Carrer Dos de Maig, 236 and close to the Sagrada Família. It consists of eight levels above the ground floor, the first two with offices which are to be transformed for residential use.

These two floors with offices cover a total built surface area of 1,035 m² + 75 m² of terraces and the project suggest converting the space into 6 homes of between 90 m² and 120 m² each, 2 of them with 37.5 m² terraces, and 2 office-studios (57-70 m²).

These homes will be equipped and finished to a high standard, with natural wood flooring, wood and porcelain wall cladding, air conditioning through ducts and an aerothermal energy system.
