This plan is not definitive, since it has been prepared under the Building Execution Project and, therefore, reserves the right to include the necessary modifications due to technical and/or legal requirements ordered by any administrations or public bodies, modifying it in any case to Final Documentation of the work. Accessory elements (for example, furniture, including kitchen furniture); they are merely illustrative. The turns of doors and the distribution of devices are not binding. The expressed surfaces are approximate, being able to undergo modifications due to technical and/or legal reasons in the development of the execution of the works.
