Lucas Fox creates beautifully responsive, expertly coded and visually exciting, customised websites. Since the Lucas Fox English language website was established in 2005, it has become the benchmark for marketing Spanish prime residential properties to both national and international buyers. Over the past 15 years Lucas Fox has developed 10 additional language websites - in Spanish, Catalan, French, German, Russian, Swedish, Dutch, Portuguese, Chinese and Italian. The web team have produced a front-end design and build that is attractive, easy-to-navigate, interactive, high on performance and constantly innovating and evolving. With over 60% of the sites’ traffic coming from mobile devices or tablets, a strong emphasis has been placed on responsiveness with a focus on delivering the site content quickly to end users.

In a highly competitive market and increasingly crowded online space, Lucas Fox continues to stand out thanks to the sites’ quality and attention to detail. The websites have a truly global reach and receive just over 2 million annual visits.
Our digital marketing campaigns are finely crafted to ensure our properties are exposed to the right buyer, covering worldwide markets including Europe, Asia, the Middle East and the US. We list our properties on some of the world’s leading national and international portals.

Our ongoing work on Search Engine Optimisation has achieved Page One Google ranking for numerous key phrases in several different languages. We also create bespoke content and HTML emails and newsletters, targeting our database of 100,000 potential buyers and sellers, as well as link building, remarketing and Pay-per-Click campaigns in different languages.

Thanks to our in-house market research and analysis, we understand global audiences and local market sensitivities.
In the event a client cannot be present for a viewing, we worked hard to ensure our virtual viewings resemble a face-to-face viewing as close as possible. Thanks to the latest technology and extensive trainings for our sales teams, we adapted quickly to guarantee our 1-1 virtual viewings are successful, useful, and meet our clients’ needs.

VIRTUAL VIEWINGS
Launched to adapt to the changing environment due to current events, Lucas Fox Home Live Stream allows both our national and international clients to tune in to a live broadcast across multiple social networks and view a handpicked selection of the best properties in our portfolio. As a result of our strong relationships with some of the world’s top property journalists, our press releases and targeted content regularly appear in leading offline and online publications such as The Wall Street Journal, The New York Times, The Financial Times, The Times, The Sunday Times, The Telegraph, The Economist, the South China Morning Post, Forbes, the Robb Report, El Mundo, El País, La Vanguardia, Expansión, Le Figaro, CNN and the BBC.

Lucas Fox partners Alexander Vaughan and Tom Maidment with La Vanguardia journalist Rosa Salvador.

Our extensive market knowledge is recognised nationally and internationally and the publication of our quarterly market reports on the Spanish prime property market has positioned Lucas Fox as a key opinion former and authority on the Spanish real estate market.

With an extensive network of national and international media contacts, Lucas Fox also delivers bespoke PR campaigns for its clients. Our creative team is experienced in transforming the vision of architects and developers into a compelling story in a bid to get the desired results.
Our creative and copywriting teams work together to produce eye-catching, high impact advertisements and our multimedia expertise enables us to design integrated advertising campaigns that reach the desired audience in the most effective and relevant way.
At Lucas Fox, we recognise that, for many of our foreign buyers, purchasing a home is also about ‘buying into’ the Spanish lifestyle, which brings with it a plethora of enviable cultural and gastronomic benefits. ‘Lifestyle investors’ are typically entrepreneurs who are able to work remotely and families or individuals choosing to relocate to Spain. In both cases they regard their property purchase both as a commercial and lifestyle opportunity.

We also have a number of buyers looking for ‘passion investments’ such as vineyards, sporting or equestrian estates.

Our aim is to give potential clients an enticing experience before they buy.

The LFStyle blog continues to add value to the Lucas Fox brand by introducing potential buyers to a new destination, offering relocation stories and insiders’ guides in a bid to reinforce a client’s purchasing decision, a process which many of our own staff have experienced themselves.
Lucas Fox’s team organises a range of events from Open Houses and launch parties to press trips and ‘Afterwork’ drinks. As part of our programme of social and corporate responsibility, Lucas Fox is also a regular sponsor and supporter of local festivals and charity events.
