WEBSITE DESIGN & DEVELOPMENT

Lucas Fox creates beautifully responsive, expertly coded and visually exciting, customised websites.

Since the Lucas Fox English language website was established in 2005, it has become the benchmark for marketing Spanish prime residential properties to

both national and international buyers. Over the past 15 years Lucas Fox has developed 10 additional language websites - in Spanish, Catalan, French, German, Russian, Swedish, Dutch, Portuguese, Chinese and Italian. The web team have produced a front-end design and build that is attractive,

easy-to-navigate, interactive, high on performance and constantly innovating and evolving. With over 60% of the sites' traffic coming from mobile devices or tablets, a strong emphasis has been placed on responsiveness with a focus on delivering the site content quickly to end users.

In a highly competitive market and increasingly crowded online space, Lucas Fox continues to stand out thanks to the sites' quality and attention to detail. The websites have a truly global reach and receive just over 2 million annual visits.

ONLINE & OFFLINE ADVERTISING

Our creative and copywriting teams work together to produce eye-catching, high impact advertisements and our multimedia expertise enables us to design integrated advertising campaigns that reach the desired audience in the most effective and relevant way.

DESTINATION & LIFESTYLE MARKETING

At Lucas Fox, we recognise that, for many of our foreign buyers, purchasing a home is also about 'buying into' the Spanish lifestyle, which brings with it a plethora of enviable cultural and gastronomic benefits. 'Lifestyle investors' are typically entrepreneurs who are able to work remotely and families or individuals choosing to relocate to Spain. In both cases they regard their property purchase both as a commercial and lifestyle opportunity.

We also have a number of buyers looking for 'passion investments' such as vineyards, sporting or equestrian estates.

Our aim is to give potential clients an enticing experience before they buy.

The LFStyle blog continues to add value to the Lucas Fox brand by introducing potential buyers to a new destination, offering relocation stories and insiders' guides in a bid to reinforce a client's purchasing decision, a process which many of our own staff have experienced themselves.

SPONSORSHIP EVENTS & PARTNERSHIPS

Lucas Fox's team organises a range of events from Open Houses and launch parties to press trips and 'Afterwork' drinks. As part of our programme of social and corporate responsibility, Lucas Fox is also a regular sponsor and supporter of local festivals and charity events.
