SERVICES

RESIDENTIAL SALES & LISTINGS

Founded in a small back room in Barcelona, Lucas Fox now has 19 different offices throughout Spain and more than 40 new office openings are planned by 2020, thanks to the new Lucas Fox Affiliate Programme.

Our dynamic sales teams are professional, experienced and multilingual. Our agents' in-depth market knowledge and high levels of customer service set Lucas Fox apart and give

buyers and sellers peace of mind that they are working with the very best in the industry. Our listings agents ensure only the very best properties make it into our portfolio and meet the high expectations of our clients.

Lucas Fox is one of Spain's fastest-growing real estate agencies thanks to our referral and repeat business.

 *Each of our offices is run by people who love what they do and know the market inside out. This passion is infectious for both buyers and sellers."*

TOM MAIDMENT
Partner, Costa Brava & Maresme

RESIDENTIAL RENTALS

Our rentals department brings together years of experience from real estate agents who have worked within the sector both in Spain and worldwide. Our agents provide proactive and regular communication during every rental transaction, ensuring that clients are across every step of the process. We currently offer homes for rent in Madrid, Barcelona and Valencia, where demand

from both international and national clients is growing significantly. Our houses and apartments are carefully selected to ensure they meet the specific requirements of each client and are centrally located with good access to services and amenities such as international schools, restaurants, shops, hospitals, airports and public transport links.

 *We try to take the traditional challenge out of renting a property to give tenants the exceptional service they expect, and to replace the hard work of being a landlord with simplicity and peace of mind.”*

SHIRLEY RHODES
Head of Rentals & Property
Management

PROPERTY MANAGEMENT

Lucas Fox offers a high quality, consistent and reliable ongoing property management service that encompasses a wealth of experience, up-to-date market knowledge and legal expertise. We believe that this service adds professional distance to the client-tenant relationship, which keeps it on a sound business footing. Our experience tells us that every client and property is different

and all sorts of unusual and unpredictable situations can arise that may require a degree of empathy and pragmatism. Our team has an efficient, reliable and trustworthy network of contractors ready to help out any time of day or night. We offer three packages: 'welcome home', 'basic' and 'full management', which provide everything from setting up utility bills to contract negotiations with new tenants.

“We offer fully flexible services to suit all requirements. In our experience managed tenancies tend to last longer and they also provide peace of mind and minimal stress for the landlord.”

SHIRLEY RHODES
Head of Rentals & Property
Management

MARKET REPORTS

Lucas Fox produces biannual in-depth market reports on the Spanish property market using in-house data as well as statistics and information from reputable external sources. The reports contain analysis of the latest trends including transaction numbers, value of sales, buyer nationality and motivation for buying. We analyse each of our main regions – Barcelona, Costa Brava / Girona, Maresme, Sitges, Madrid, Valencia, Ibiza and Marbella –

as well as assessing Spain as a whole. We also include the latest data on the Spanish economy, interest rates and tourism figures to give a truly comprehensive round-up of the market. Much of the analysis is subsequently reported in national and international press as Lucas Fox increasingly becomes the ‘go-to’ agency for insightful commentary on the Spanish residential market.

“Our reports are unique, informative and up-to-date dossiers aimed at helping our buyers and sellers make informed decisions about investing in Spanish property.”

ALEXANDER VAUGHAN
Co-Founder

FINANCIAL ADVICE

Lucas Fox works with some of Spain's leading mortgage brokers who offer competitive packages to suit all requirements. Our brokers' special relationships with numerous Spanish and international banks ensure that they are able to negotiate excellent conditions for clients and obtain the very best deals, often unattainable elsewhere. They guide buyers through the mortgage set-up process

step-by-step and are able to help buyers decide which kind of repayment model would work best – be it fixed, variable or a combination of the two. Our brokers are specialised in securing Spanish mortgages both for non-residents and residents and obtaining the most competitive rates. They can also help clients decide whether to take out a Spanish mortgage or remortgage an existing property in another country.

“*Lucas Fox mortgage broker collaborators are continually evaluating the lending options available so will know which mortgage and which lender is right for buyers, avoiding the minefield of often confusing financing options.*”

ROD JAMIESON
Partner & Managing Director,
Barcelona & Madrid

NEW HOMES MARKETING

Lucas Fox is one of the few Spanish luxury real estate agencies with its own specialist in-house new homes marketing division. Our professional, creative, marketing and Public Relations teams are experienced in promoting new homes across Spain with a strong focus on the Barcelona and Madrid markets. We create and oversee a bespoke sales and marketing

strategy, optimising the value of each project. The team works across a number of disciplines from the marketing plan and budget to producing a range of marketing materials such as brochures, flyers, renders, plan bibles and 3D videos as well as branding, digital marketing, events and Public Relations.

 *Having an experienced in-house new homes marketing team has meant that Lucas Fox has become a one-stop shop for developers, who prefer not to have the hassle of sourcing their own PR and marketing, making it a win-win scenario.”*

MUNA BENTHAM

Spain's "Golden Visa" scheme has opened the door to thousands of non-EU investors looking to benefit from the country's low property prices and numerous lifestyle benefits, primarily targeting Russian, Middle Eastern and Chinese

investors, with interest also from the USA, India and Latin America. The programme was established in 2013 allowing non-EU residency to obtain Spanish residency in exchange for investing in property or land worth €500,000 or more.

TESTIMONIALS

“

The service we received from Francis Wardley of Lucas Fox was outstanding. He understood our needs very well and eventually found us the perfect property in an area we hadn't previously considered and are now very happy to be resident in, simply because he listened and responded to our needs. The whole process was managed perfectly."

 **MORAG MAKEY**

“

After a wonderful experience working with Emma at Lucas Fox to buy an apartment in Barcelona last year, I hired the firm to manage the property as well. Since I live in the United States, it was important to have a trustworthy and conscientious partner. I found it with Shirley and Sandra at Lucas Fox Property Management. Their attention to detail and customer service are impeccable, the costs reasonable and the peace of mind - priceless!"

 **CHIP KUNDE**

“

Lucas Fox were absolutely fantastic from start to finish with our flat hunt and throughout the purchasing process. We worked with Francis and Ainoha who were incredibly professional, communicative and informative, and were invaluable when it came to negotiating a purchase internationally. They had great recommendations for a local lawyer who worked with us to facilitate everything."

 **GEORGINA WEINSTEIN**

“

Every time we interact with them Lucas Fox provides world-class service at all levels: responsiveness, professionalism, quality of the viewings, organisation. We have been working recently with Pilar and in addition to all the qualities mentioned, she is super relaxed, positive and down-to-earth, making sure that our needs are put first."

 **JORDI SERRAS MARQUÈS**

“

The service we have received from Lucas Fox from helping us to choose the right property, to negotiating the right price, to working through the legals and communicating with the vendor and all associated utility and service companies, has been second to none. Not only that, our agent Tom Maidment has been very kind and friendly and provided a personal service to help us to move into our new property and settle, ensuring that any challenges we face are easily overcome, even after the completion of the sale."

 **CHRISSIE NUTALL**

“

Lucas Fox has acted with great professionalism in all aspects, always adapting to our needs. Both the team and particularly Álvaro Navarro, with whom I had the pleasure of working, have been available at all stages of negotiation, even helping us with very specific details of the contract. Whatever you need, definitely count on them."
